3 August 2011

Dear Sir/Madam,

I have been appointed as the Programme Officer for the Inquiry, I am an independent officer of the Inquiry and work under the direction of the Inspector, Elizabeth Hill BSc (Hons) BPhil MRTPI.

As you may be aware a Pre-Inquiry Meeting was held on Tuesday 26 July, at Northwich Victoria Football Club. I attach a copy of the notes of the meeting for your information .

The Inquiry is scheduled to open at 10.00 am on Tuesday 11 October at Northwich Victoria Football Club. However, there has been a request by CHAIN to hold the Inquiry in the town centre, and they are currently investigating possible venues. If the venue for the Inquiry does change you will be notified. The Inquiry is scheduled to last for about five weeks.

Due to there being nearly 4,000 respondents to the application, in future I only intend to write to those people who are appearing at the Inquiry. However I am currently establishing an Inquiry website, which is due to go live in September – www.programmeofficers.co.uk The website will include details about the Inquiry and the latest Inquiry programme.

If you have any queries please contact me, please note that I am on holiday 8-19 August.

Yours faithfully

Helen Wilson
Programme Officer
